APPENDIX VIII.

[Vide answer to starred question No. 27 asked by Sri N. K. Palanisami at the meeting of the Legislative Assembly held on 20th April 1959, page 26 supra.]

The number of secondary schools possessing audio-visual equipment up to the end of November 1958 is as follows :—

Number of schools possessing radios	636
Number of schools possessing 35 mm. filmstrip projector	511
Number of schools possessing 16 mm. silent and sound projector	496
Number of schools possessing tape recorders ...	148

In all the above schools audio-visual education is imparted through the audio-visual equipments referred to above.

The success of the scheme is apparent from the eagerness shown by schools to purchase such equipments for themselves and the demand for these equipments in large numbers in the market
